A Level

I AM EXCITED TO WELCOME YOU

to Westlake International School's A Level programme. A Levels are your ticket to further study anywhere in the world and to a career that suits your abilities and interests. I am confident that you will find this next step in your academic life exciting and challenging yet very rewarding.

The significant difference in your academic life is that you will now only be studying subjects of your choice that will lead you to the university and career of choice. You are encouraged to take on the challenge of more independent, detailed and rigorous study. Our specially designed A Level Centre, which is a great space for learning as well as socializing will support you on this journey.

As an A Level student you will enjoy special A Level privileges but with this comes the expectation that you give back to school and the community.

Being the most senior group of students in our school comes with more opportunities for leadership. You can be a student mentor or join other social programs in school or in the greater community.

Nicolaas Strating

Head of A Level

This way you will be on the road to become a well rounded, whole individual with strong character, academic and interpersonal skills.

There is a carefully designed Career Navigator Programme (CNP) to give you an overview of higher education, the range of courses available and possible career outcomes. An important part of this is career profiling, which will be of great benefit in helping you decide which career would suit you best. The Duke of Edinburgh Award will also equip you with important life skills to survive in the world. A crucial component of CNP is to undertake job shadowing and work experience to gain an

understanding of the career of your choice.

My challenge to you is to make the most of your time here and the opportunities on offer to develop into thoughtful, generous and considerate young adults.

The team at Westlake will be here to guide you through the process of learning how to deal with the increased personal responsibility and craft your personal learning journey.

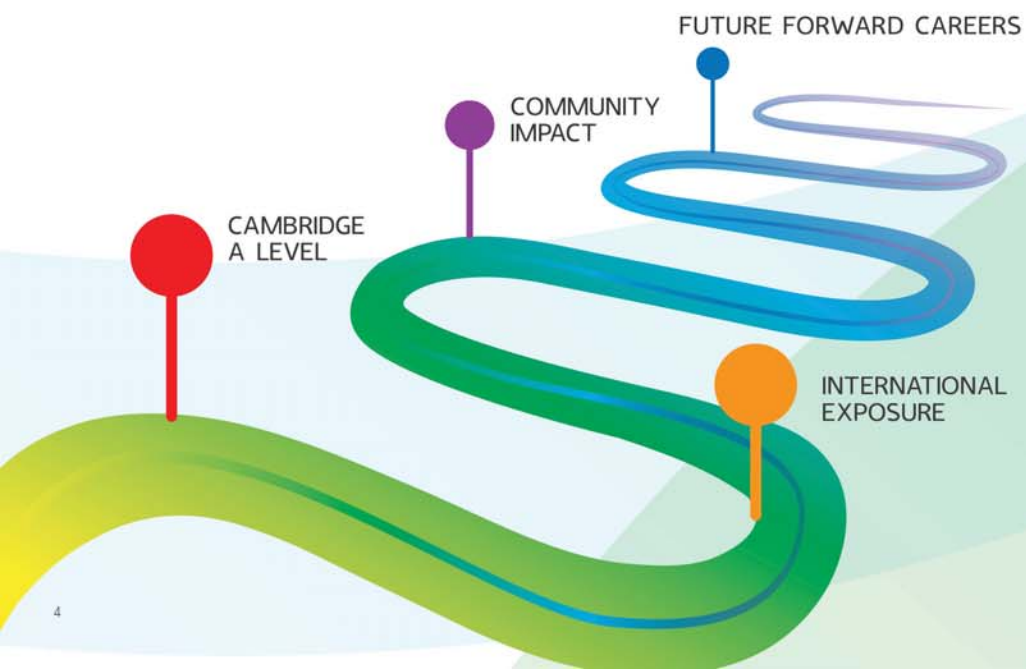

I wish you all the best and a happy and successful A Level experience at WIS.

JOURNEY TO THE TOP

A high achieving A Level programme to ensure that our students gain admission to top universities in the world. The journey through A Levels is designed to ensure that our students build portfolios comprising specific high-value add activities that develop character and reflect their passions and desires.

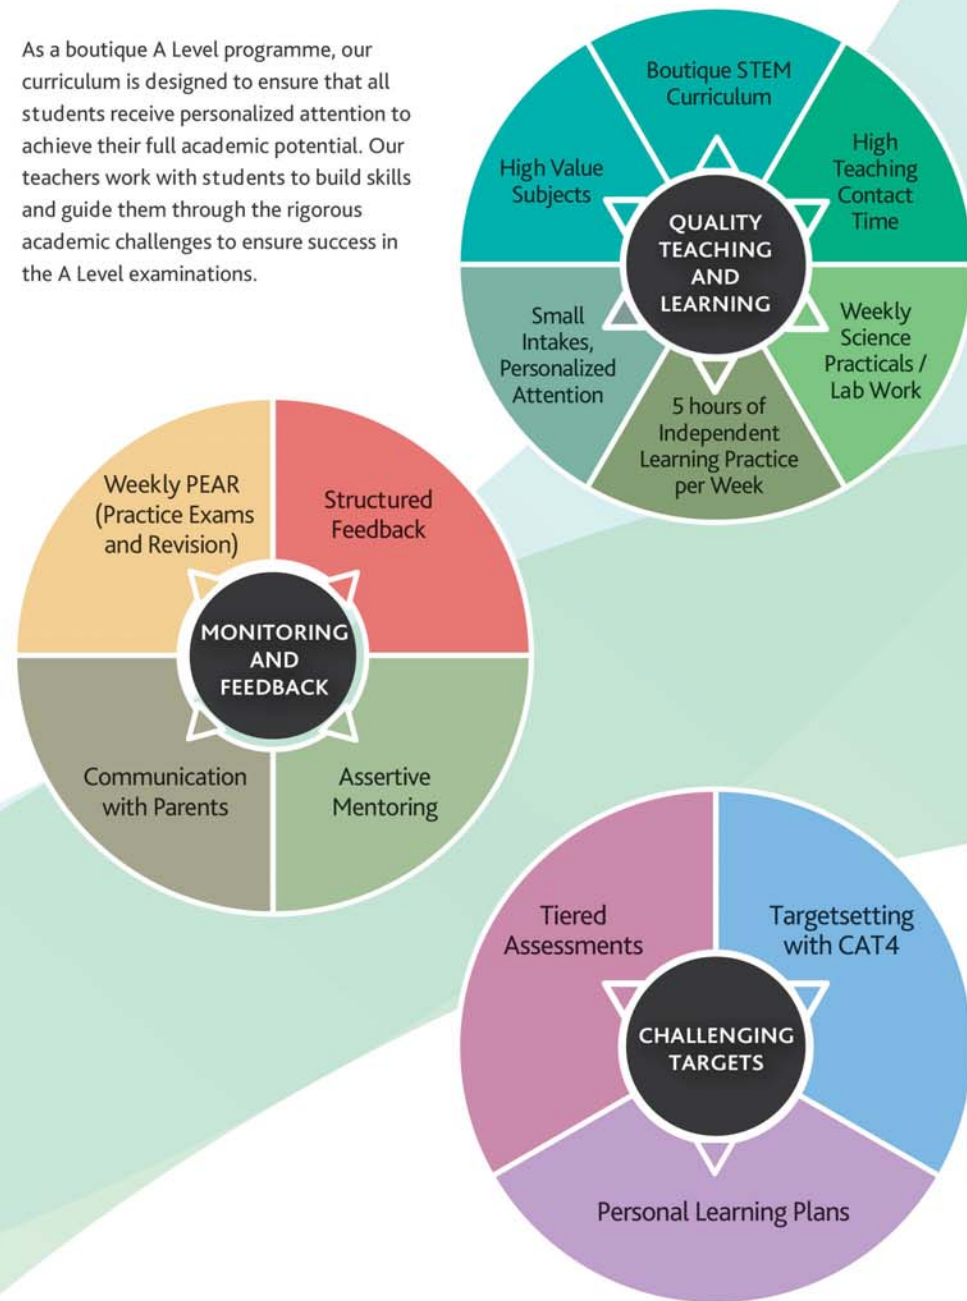

PATHWAY TO UNIVERSITIES

ACADEMIC EXCELLENCE

As a boutique A Level programme, our curriculum is designed to ensure that all students receive personalized attention to achieve their full academic potential. Our teachers work with students to build skills and guide them through the rigorous academic challenges to ensure success in the A Level examinations.

CAREER NAVIGATOR PROGRAMME (CNP)

The main focus of A Level study is to prepare students for the big leap into university. Our Career Navigator Programme provides students with avenues to explore a range of career pathways available. Students get the opportunity to gain real world experience through work attachments, university partnerships and career workshops. This will allow students to develop a clear vision of the course and career that matches their passion.

ASSOCIATION

“ I can say confidently that the teachers and staff remain friendly, helpful and dedicated to providing a quality education. My A Level boarding experience was equally excellent and gave me the opportunity to have some great memories. ”

Haresh Jayant Mahalingam, Class of 2021

THE WIS EXPERIENCE

“ Westlake A Levels was like stepping into a new world with a completely different culture. As classes are smaller there is individual attention and care given to each student. I have matured and become so much more independent. ”

Ian Ang, Class of 2021

“ From the Boarding House to the A Level Centre, the amenities provided allow for skill acquisition and advancement. ”

Lam Dorren, Class of 2023

“ This school is an ideal place to grow friendships and nurture new skills. The incredible community here has taught me how to excel academically whilst guiding me to become a better person. ”

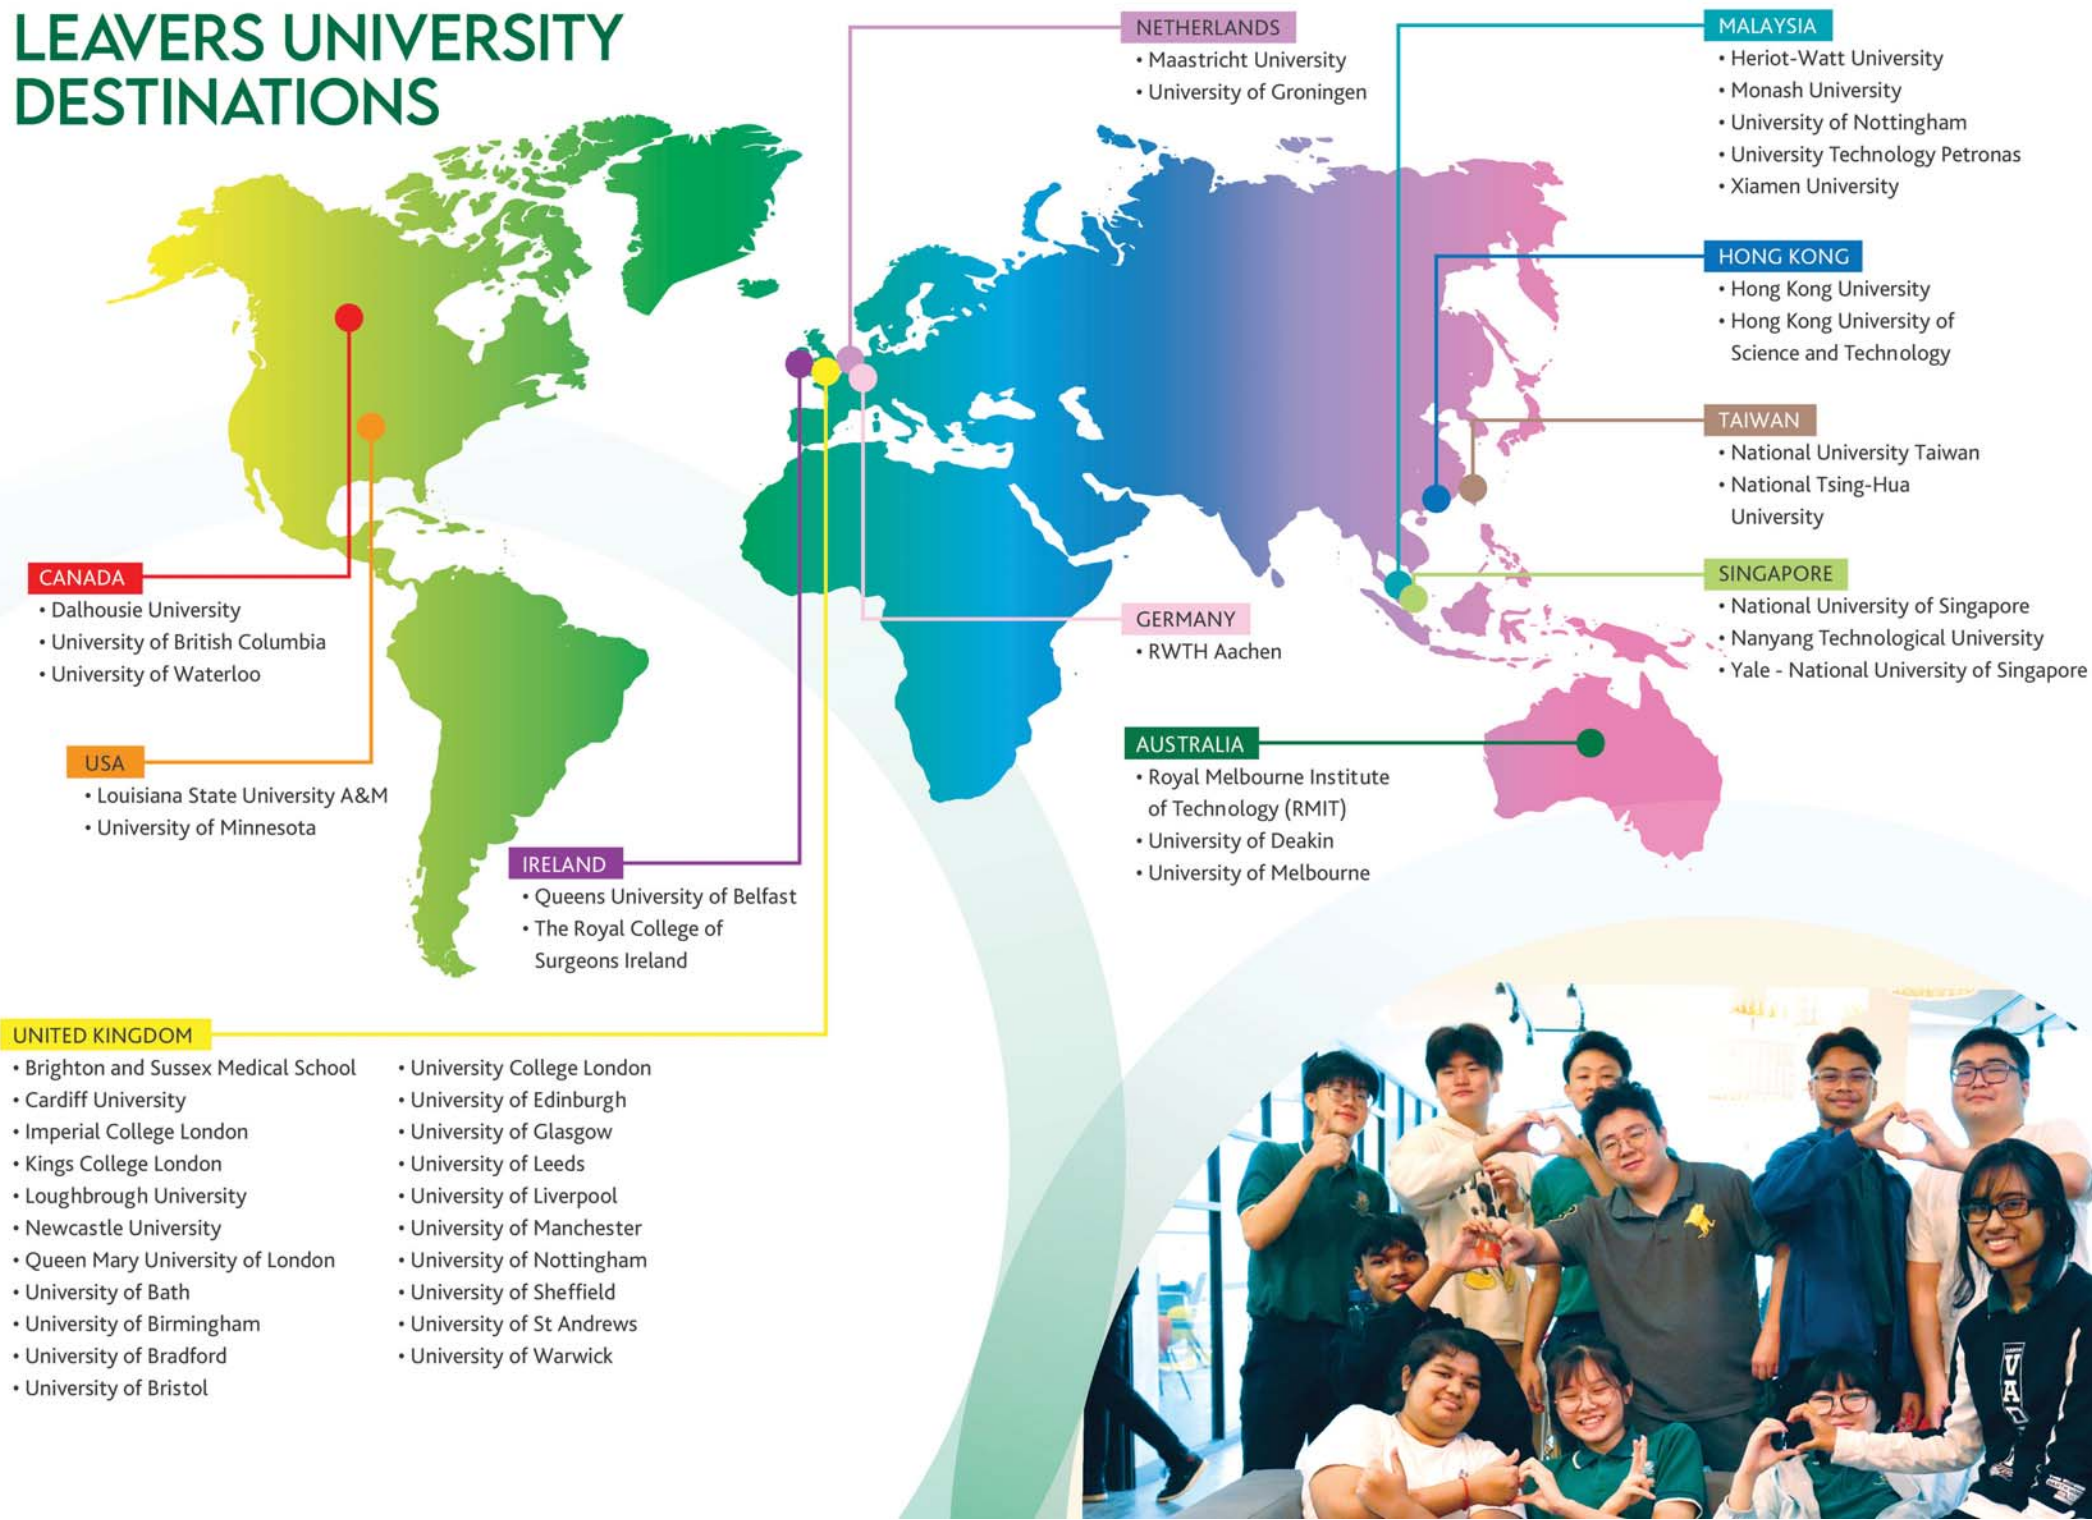

Tan Wei Shan, Class of 2023

“ Westlake has been responsive to provide for the needs of the student at all times. The management undertakes extra effort to ensure the students are well prepared for the A Level examinations. ”

Dr Wong Kee Luen, Father of Benjamin Wong; Class of 2021
